

Translations:Extincteur/79/en

- Do not ingest the vinegar. In case of contact with eyes or hands, rinse with plenty of water.
- Be careful using the drill or planting the nail in the cap.
- Do not direct the jet of foam towards you or other people, aim the fire.
- Be careful when activating the fire extinguisher. Hit the nail with the palm of your hand to avoid injury.
- Attack the base of the fire, not the flames.
- Metal is an excellent thermal conductor. It is advisable to thoroughly soak the metal parts that may have been affected by the fire, to avoid any recovery.
