

# Translations:Filtre à eau en céramique/18/en

---

The American association Potters For Peace aims to help the potters all around the world to develop ceramic filters:

[http://pottersforpeace.org/?page\\_id=63](http://pottersforpeace.org/?page_id=63). You can find their tutorial to build an oven or a press here: [http://pottersforpeace.org/?page\\_id=487](http://pottersforpeace.org/?page_id=487)
