

Translations:Sciences Participatives : Bioponie d'intérieur/31/en

- Make sure your tools are in good condition and suitable for the job in hand.
- Read tool instructions carefully and pay attention to pictograms on packaging.
- Set up in an uncluttered, well-ventilated and well-lit area.
- Equip yourself with the necessary protective equipment: gloves, shoes, goggles, clothing, helmet, protective mask, earplugs (headphones/earplugs)...
- Unplug power tools and close products when not in use.
- Ask those around you for help if you have to handle heavy loads (tools, materials, etc.).
