Step 1 - Collect Fabric

Collect the fabric you want to customize.

Collect the fabric you want to customize.
Step 2 -
Prepare the wooden plaque

1) With a pencil, write up the letter on the plaque making sure that the letter, are back to front (therefore making a mirror copy) so that when you print it will come out the right way around.
2) Use graving tools to carve around the letters. N.B: when you print the areas cut out will not take the paint (they will stay the same colour as the t-shirt).
